We, the annual staff of the 1957 Cap and Pin, have attempted on the following pages to record an accurate record of our three years here at Cabarrus Memorial Hospital. We have tried to recapture the most important events, our first clinical assignments, special services, dances and parties, and those wonderful days at Dix Hill that ended all too soon, the most trying times, and the special moments that made all our hearts swell with pride.

If in the future, this book will recall all those memories, then we will feel the satisfaction of a job well done.

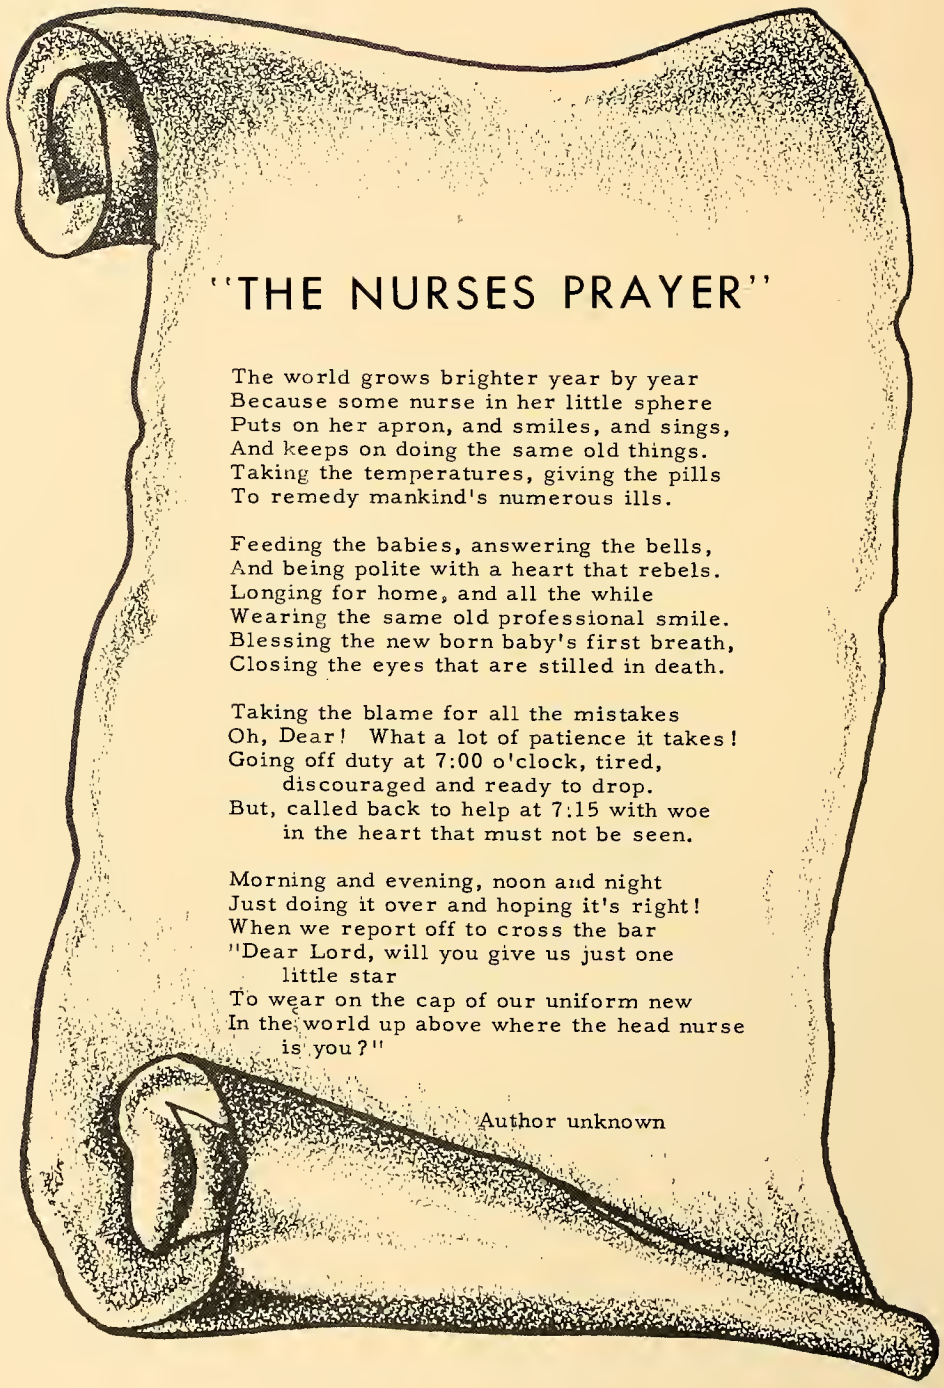
DEDICATION

To a man who has won our respect and gratitude because of his guidance, help and genuine interest in our class, we, the Senior Class of 1957, with deepest appreciation proudly dedicate the "Cap and Pin" to you, Doctor John V. Arey.

DEDICATION

Because of his sincere interest in students and his leadership in the spiritual field; because he was instrumental in establishing the Christian Student Union, Religious Emphasis Week, and the Sunday School for patients, we, the Senior Class of 1957, gratefully dedicate the 1957 edition of "The Cap and Pin" to you, Mr. Rudy Hardy.



"THE NURSES PRAYER"

The world grows brighter year by year
Because some nurse in her little sphere
Puts on her apron, and smiles, and sings,
And keeps on doing the same old things.
Taking the temperatures, giving the pills
To remedy mankind's numerous ills.

Feeding the babies, answering the bells,
And being polite with a heart that rebels.
Longing for home, and all the while
Wearing the same old professional smile.
Blessing the new born baby's first breath,
Closing the eyes that are stilled in death.

Taking the blame for all the mistakes
Oh, Dear! What a lot of patience it takes!
Going off duty at 7:00 o'clock, tired,
discouraged and ready to drop.
But, called back to help at 7:15 with woe
in the heart that must not be seen.

Morning and evening, noon and night
Just doing it over and hoping it's right!
When we report off to cross the bar
"Dear Lord, will you give us just one
little star
To wear on the cap of our uniform new
In the world up above where the head nurse
is you?"

TO YOU, DEAR ALMA MATER

We bid fond adieu--
As the echo of our last steps fades from your halls,
There remains part of us with you--
A few sorrows, some tears, bitter yet though they be;
Much laughter, many memories--
All borne of thee.

We entered your doors hardly more than a child.
Out of study, toil and diligence, you have molded
strong minds; hearts that are mild.
You taught our hands skills before unknown to them.
Our work you endued with patience,
Fulfilled a desire to serve God through kindness
to men.

As we turn our backs on training;
Set our eyes upon goals ahead--
The prayer on our lips, the cry in our hearts--
May it ever be:
To prove able for the task,
Worthy of the reward

SENIOR CLASS HISTORY

On September 6, 1954, fifty-six young girls forsaked their previous way of life and embarked upon a course of study and a way of life that offered the greatest challenge and bestowed the highest rewards from the assurance of a job well done.

Those we elected to lead us during our Freshman year were Connie Rhodes, President; Jewel Smith, Vice-President; Peggy Slack, Secretary; and Terre Bare, Treasurer. During that year we became acquainted with clinical assignments and ward teaching. Parties and dances broke the monotony of our daily routine. In the Calvary Lutheran Church on May 20, 1955, we received the symbol of our profession--our caps.

On September 6, 1955, we received our Junior bands for our caps. Our officers for that year were Tina Green, President; Frances Copeland, Vice-President; Patty Almond, Secretary; and Joyce McKinney, Treasurer. Classes resumed along with our clinical assignments. The routine was broken by such things as the Junior-Senior Banquet and Religious Emphasis Week. Shortly afterwards our Prayer Room was established for private meditation. We presented "The House of Blue Lights," a program in which we spotlighted the talent of our class.

September 6, 1956, saw the realization of a long awaited goal and ideal. We received our Senior bands and felt the increased responsibility and added satisfaction. Our officers were Shirley Johnson, President; Doris Cline, Vice-President; Joyce McKinney, Secretary; and Jo Ann Bradshaw, Treasurer. Our projects were the sponsoring of a Christmas Dance and drafting of "The Cap and Pin,"--a project that will hold forever our most cherished memories. Our thanks go to Barbara Brooks, Phyllis King, Co-Editors, Doris Cline, Business Manager, Barbara Garner, Advertising Manager, and Carolyn Lee, Assistant Advertising Manager and the entire annual staff for a wonderful book. Having completed our course of study, forty-three young student nurses will stand on a platform and receive a piece of paper that will automatically transform them into graduate nurses. For a brief moment they will be conspicuous in their triumph, but then will quietly take their places in the background to help hold up the pillars of medicine by doing their part in the fight against disease and death.

The Senior Class gratefully acknowledges the work of Miss Naomi Moore and Doctor Barry Hawkins in the prevention and treatment of student illness. We realize it was a trying task with few rewards and little appreciation.

So, to you, Miss Naomi and Doctor Hawkins, the Senior Class gratefully and affectionately says, "Thank You."

CAPPING

THE CAPPING

He wore a crown of thorns that I
Might wear a crown of light,
And in deep humility
I'll wear this cap of white.

I'll walk in quiet confidence,
Befitting one who knows
The path He trod once long ago,
The way a Christian goes.

And as a minister to those
Who need His healing touch,
I'll serve them in the name of Him,
Who gave for me . . . so much.

And somehow may His light shine forth
Through me from day to day,
That those entrusted to my care
Will find the living Way.

For Him who wore a crown of thorns
I'll wear this cap of white,
That when He calls I'll worthy be
To wear a crown of light.

The staff has worked hard planning and editing the 1957 Cap and Pin. There were deadlines to meet, pictures and layouts to make, copy to type, and a thousand and one other things that needed our attention.

This is the finished product of our efforts. We have worked to make it an accurate record, a treasure chest of memories, and a yearbook that will be a credit to our class of 1957.

Nurses Home

One Friday on Calvary, as in a hospital ward --
Three men lay dying - among them our Lord.
T'was the worse case of neglect that was ever recorded.
These patients whose pain Pilate had ordered
On three hard beds in the shape of a cross,
Without pillow or blanket, no nurse would endorse.
How the one in the center our attention should claim,
Jesus of Nazareth the chart gave his name.
A cardiac condition examiner's find.
Excessive love for whole of mankind.
Now you who are nurses, just listen to this:
Unsterile nails pierced his feet and his wrists
And what about this for cruel medication?
Vinegar and gall were "His Lips" levation.
His back men wounded by blows and welts,
Yet no soothing ointment relieved the hurts,
No cold compresses were applied to his eyes
The worlds greatest lover just hangs there and dies.
Not a grain of morphine, not a tourniquet set,
As Mary's son slowly bleeds to death.
The chart then concluded as further we see,
"The sad man from Nazareth died about three".
His loved ones mournfully went their way
And his mother, Magdalen, and John so they say
Now don't blame the Jews for this frightful neglect,
"Our sins did it all, our sins do it yet".
This treatment of Christ demands reparation,
It falls to you nurses of this generation.
Whenever you see anyone in pain,
Just believe it is Calvary again.
And do for the patient what you wish they had done,
It will please his angels, it will thrill him too,
Just keep at it, girls, 'till life's work is through.
And when after death your soul mounts on high,
God will "cap" you again in his home in the sky.
And on Judgment Day when Heaven you will win,
Because nursing your patients, you really nursed Him!

CLOSURE

As our student days draw to a close, we, the Senior Class of 1957, wish to express our gratitude to the faculty, the administration, and the medical staff for their patience, understanding and guidance.

To our parents and friends go our special thanks and appreciation for their many gestures of kindness and their expression of faith in us.

It is because of you that we face the future with hope in our hearts and confidence in ourselves and all mankind.
